

MANHEIM TOWNSHIP SCHOOL DISTRICT

Overnight Field Trip Agreement

If the trip is an overnight trip, you must host a parent meeting to explain the details of the trip.

In order to be eligible to participate in a school or school organization sponsored trip, students and parents are required to become familiar with and agree in writing to the following:

1. During field trips and other school or school-sponsored trips, all school guidelines and policies remain in effect.
2. Policy 227 (see copy attached) that deals with drugs, alcohol and other controlled substances, is one of these policies. Any violation of this policy will result in expulsion from school and charges by appropriate law enforcement agencies.
3. Policy 218.4 (see copy attached) that deals with drugs, alcohol and other substances, as well as acts of violence, is also in effect and any violation of this policy will result in a suspension from all student privileges and participation in any school-related activities.
4. School employees and other identified adult chaperones are in charge of all trips and have the right to conduct searches of personal belongings.
5. Parents will provide phone numbers, including emergency phone numbers, where they can be reached at any time during the trip in the event of an emergency.
6. In the event that it becomes necessary to remove a student from a trip itinerary, parents agree to pay the necessary transportation costs and to meet the student at the point of arrival upon his/her return.

I have read and agree to the above statements. I further understand that failure to abide by the above provisions will disqualify my son/daughter from taking part on the trip and that any costs which result from disqualification will become the responsibility of the parent. Manheim Township School District is not financially responsible for any fees, deposits or other losses.
