

This is a reminder to all students that all vehicles must be registered and must display a school issued parking permit to park on school property during school hours. There will be no warnings issued for students parked on school property without a valid parking permit and all unregistered vehicles will receive a parking violation. **Students with parking permits are reminded that they may only park in their assigned lot.** Please make sure your parking permit is displayed.

Student masks and water bottles: Students are reminded to launder their cloth masks and wash their water bottles daily. There is a place on the bottles for the student to write his/her name. Students are encouraged to bring their water bottles full each day but may also use the water bottle fillers throughout the day. (NOTE: we will have disposable water bottles and/or cups for those that need water)
