There will be no warnings issued for students parked on school property without a valid parking permit and all unregistered vehicles will receive a parking violation. **Students with parking permits are reminded that they may only park in their assigned lot.** Please make sure your parking permit is displayed.

The USDA has extended the Summer Food Services Program through December 31, 2020, which means that breakfast and lunch meals for all students K-12 will be free from September 14 through December 22, 2020. Students who are attending school in-person may receive a free breakfast and/or lunch meal each day in our school cafeterias. Students must have their student id with barcode or the barcode card you were given at the beginning of the school year when you check out. Remote learners and MTVA students may also receive the free meals.

Do you love poetry, writing, or art? Do you want to find a place to publish and talk about your works? Then, **Soliloquy** is the place for you. Soliloquy is a mostly student-run club that creates an online editorial based on the independent and anonymous works of the student body. If you're interested in joining, or simply interested in talking about your work, come to room **260** after school on Tuesdays until 4:30 or get the zoom link from Mr. Kranch in room **260** or the Soliloquy webpage. We're excited to see what you have to say.
