

Attention All Drivers: Over 4500 adults and students converge on our Neffsville Campus every day. Arrival and dismissal times can be chaotic and hectic. Please practice patience and drive defensively during these times. The posted speed limit on campus is 15 mph. Additionally, please adhere to all traffic signs and road markings. They exist for the safety of all of our bus drivers, parent drivers, student drivers, walkers, and students who are being dropped off. This includes, but is not limited to, observing double yellow lines, no stopping or standing lines, no parking/sitting signs, and one-way signs. Thank you for doing your part to keep our campus safe.

This coming Tuesday, April 5th, Key Club will be hosting a school-wide stall day to raise funds for the relief efforts in Ukraine. If you are unfamiliar with the concept, all students can bring in any loose change they have to any of their classes during the day, and your teacher cannot start class until all the change has been counted. The more money we can all bring in, the more class time we can stall! And again, all proceeds are being donated to the relief efforts in Ukraine, so come to school with any spare coins and bills you can find to support the cause!

It's officially spring, which means it's time to purchase your **2022 Spring & Summer Soliloquy Issue**. Attention MTHS students! WEvolve is a new committee of passionate individuals for bettering student and staff mental health through unique activities and initiatives. Mental health is a problem that affects us all. Yet, sometimes mental health issues aren't talked about, and people suffering are left with little support. Nowhere is this more relevant and important than in our own schools. Those struggling in schools are not alone in what they are going through, for WEvolve together. If you are interested in joining the committee and helping your peers, stop by the office for more information to sign up for one of the informational meetings this week.
