Cabrini University – Wed., Nov. 16, 8:00AM

Kean University – Thurs., Nov. 17, 12:45PM

Every day we bring a combined 3500+ people onto campus. To ensure staff and student safety as well as adequate traffic flow, **please do not drop students off on the access roads or in parking lots.** That minimal saving of time puts our students and parents at risk and negatively impacts travel in our parking lots. Please only use the three, designated drop off and pick up loops that exist on campus. Additionally, please obey all traffic signs, speed limits, and use caution at arrival and dismissal times for the safety of our MT community. Thank you for your assistance in keeping our campus safe.

MTMS and MTHS Administration

Students: All blankets should be placed in student lockers or student backpacks prior to the start of first period at 7:30 am and should remain there until the end of the school day at 2:30pm. Sweatshirts, light jackets, and dressing in layers are all appropriate options as we approach colder months. No blankets should be seen in class or the halls once the first period has begun. Thank you!
