

TODAY IS AN ADVISORY DAY.

Students interested in learning more about careers in the live event industry should check out their class of page on schoology to learn about a field trip to Rock Lititz in April. Space is limited - applications to attend this event are open now and will close on March 17th, priority will be given to Juniors and Seniors.

Attention Sophomores: Due to the completion of the Middle School Parking lot, we have increased the number of student parking spaces on campus. We are pleased to announce that parking permits are now available to eligible sophomore students. Parking spaces are available in both the Baseball and Middle School Lots. Parking agreement forms are available on High School page of the district website under Downloads and Documents or in the main office. Please note that the cost for a permit at this time is \$25.00. Contact Mrs. Faller in the main office if you have any questions or concerns.

Attention all students who like to work with technology and help others! **Cyber Seniors** may be the program for you. On March 7th, 21st, and 28th from 3-3:45 we will be attending Brethren Village to help senior citizens with their technology. To learn more about this program, please reach out to Mrs Leisey in the Library!

Mini-THON is approaching quickly. Our main event is on Friday, February 24th from 6-11 PM. There are so many fun activities planned for this year including Inflatables, Zumba, Dodgeball and Techno Power Hour. Come out and support Four Diamonds and help kids battling pediatric cancer. For more information, see the Registration Information posted in each classroom, on the Mini-THON wall or on the Class of Schoology pages. See Mr. Sneeringer or Mr. Aiello with any questions.

Attention 9th, 10th and 11th Grade Students: The High School Marching Band's Color Guard is now forming for the Fall 2023 season. Color Guard is an artistic performance sport that utilizes elements of ballet, jazz & modern dance choreography, as well as rhythmic gymnastics, and combines them with routines featuring equipment such as flags, rifles and sabres, all to visually represent the music being performed by the marching band. Absolutely no experience is required - we'll teach you everything you need to know at the upcoming basic skills clinics. Clinics will take place in the HS Band Room (Room 152) weekly from 3PM-4:30PM, beginning Thursday, March 9th. We need you to get involved! See Mr. Siegel in Room 152 with questions or to learn more about Color Guard!

The MTMS PTO is hosting a Movie Night to see Ant-Man and the Wasp Quantumania! Bring the family and join us on Wednesday, March 1, 2023 at Penn Cinema IMAX. Doors open at 5:30PM, and the movie starts promptly at 6:00PM. You can order tickets and get more information here: <https://tinyurl.com/MTMSPTOAntMan>.

THERE ARE NO HS SPORTS SCHEDULED FOR TODAY.
