

Starting Wednesday, September 6th we will have college admissions representatives visiting MTHS! This is a great way to explore schools and learn more about the admissions process. Students can sign up for these sessions on Scoir and should check the class of Schoology pages for details. The schools visiting starting September 6th are:

Moravian University
Messiah University
St Mary's College of Maryland
The University of Tennessee (Knoxville)
Syracuse University
Penn State University

This is a reminder to all students that all vehicles must be registered and must display a school issued parking permit to park on school property during school hours. Parking permits are available from Mrs. Faller in the main office before school, after school, during study hall, and lunch. There will be no warnings issued for students parked on school property without a valid parking permit and all unregistered vehicles will receive a parking violation. **Students with parking permits are reminded that they may only park in their assigned lot.** Please make sure your parking permit is displayed.

Attention MTHS students! **Soliloquy** Township's after school writing and arts club is opening Tuesdays after school starting on September 12th! If you are interested in student-made poetry, short stories, or art, you are welcomed to join them in room 260 from 2:30-4:00. If you'd like to make submissions to the club, you can find posters with QR codes to their website throughout the building. Contact Mr. Earley in room 260 or Mr. Kranch in room 125 with any questions. Let's celebrate our student artists and writers!

Esports at Township is looking to kick off this year. Valorant, Rocket League, League of Legends, Overwatch 2, Super Smash Bros Ultimate, and Apex are all games that we play competitively. If you are interested in playing any of those games or learning more please attend our Kick-off meeting on Wednesday, September 6th right after school in room 188 (the CADD lab).
