Do you speak a language other than English at home? Are you taking an advanced level of world language? If you said yes to either of these questions AND you are graduating this year, you might qualify for a PA Seal of Biliteracy! The Seal of Biliteracy is an award to recognize your language skills and is an impressive credential on your high school transcript, resume, and college applications. You could make more money in future professions, earn college credits, and have more job opportunities than someone without the Seal of Biliteracy. If interested or if you have any questions, please see your Counselor or World Language teacher before the **November 3** deadline.
