### **AGENDA** Call to order (6:34pm)

- Welcome and Introductions
- Approval of November 2023 Meeting Minutes
  - Motion: Madison South
  - 2nd: Rachel Levine
- Contact information for PTO/PAC groups
  - Chart to be attached
  - Created gmails that will stay the same for each school PTO and distribution will be updated for SLAC communication to those groups.
- We cover things during the meeting, how do we know what the status is when we end SLAC.
  - Call Dr. Felty if it is not communicated.
  - We can go back to the agendas here:  
<https://www.mtwp.net/about/superintendent/superintendents-lay-advisor-y-council/>
  - PTO can follow up with Principal if there are additional questions.
- Dave Ammons: Secondary Level PE conversation
  - Will share deck (He is reading directly from the deck, so no notes needed)
  - Discussion of how athletes may struggle to get in the zone (Dave commented that this is not a problem he sees).

- What is the percentage of students that fail and/or the demographic breakdown (next step?)
- Dave Ammons: Swimming
  - Quick discussion of whether or not girls are sitting out because of their periods.
  - How does that work for summer gym since it is more condensed and they can only miss one day?
- Convenience Store in the old Turkey Hill building
  - The buyer applied for a convenience store permit. In that ordinance, you need to sell food products along with other items. But they can sell vaping products/tobacco behind the counter similar to other convenience stores.
  - The municipality will be revising current ordinances with language to make sure that gun shops and vaping stores aren't able to be built near the schools as part of the Township's upcoming strategic planning process.
- Busing schedule changes
  - Email goes out weekly with busing changes even if there are no changes.
  - Can we ask for the email only if there is a delta?
  - Can the bus driver name be included?
